

# 'Each Moment' Lyrics

Story line by Walter Bennett

Lyrics by Roger Palmer

## **Verse One**

*Living full my days,  
Want free of all adversity  
Then it all went so awry  
I wonder why  
Fate has dealt me cards of such black hue  
From the moment of my being, as I grew  
What happened as I trod those cruel path ways  
While living full my days*

## **Chorus**

*Not with faint hearts we live, favour falls to the brave  
Boldly strong each mind with grace and power to save  
Days glide swiftly by vanishing into the past  
By choice we live in the present making each moment last*

## **Verse Two**

*Hope will spring anew  
My guide will be my strength of mind  
Know my fate is not yet sealed  
I will be healed  
Giving love to mend my hurt and pain  
Take my gift of love and I will live again  
Embracing that which rightly is my due  
Then hope will spring anew*

## **Bridge**

*The glass is half empty or is it half full  
Does stress drag you downward, can you feel its strong pull*

## **Verse Three**

*Floating wings on high  
That take me firmly on my way  
On to peaceful happiness  
I'll not have less  
Staunchly strong my courage will prevail  
Flying, searching, heading upwards as I sail  
Even to the stars that scatter in the sky  
Float up with wings on high*

## **Chorus** (last line repeated)
